WRUW SUMMER PROGRAM GUIDE

FM 91.1

WRUW

CLEVELAND, OHIO

HEY THERE! THANKS FOR PICKING UP A COPY OF THE LATEST WRUW SUMMER PROGRAM GUIDE!

First off, all of us at WRUW would like to give you a massive thank you for your donations during telethon back in April. This year's telethon was the 3rd best in the history of WRUW and it is all due to you, the listeners who support non-commercial radio and the great events that WRUW loves to be a part of as well as organize.

But now for the really cool stuff. As you probably know by now it is summer and there isn't 90 feet of snow on the ground. Of course this has been replaced by 90 degrees of hot humidity. But, there are two sides to every coin. WRUW has an all new programming schedule that not only features shows that have become mainstays of Cleveland radio for decades but also new shows that will both shock and amaze you.

Returning to the schedule of course are classics like Darewaves, When the Roses Bloom Again, Sunday Matinee, and Chasing Infinity. However, upstarts like Straight Up with Docsana, Delicious Delusion of a Discriminating Mind, MP3 Removal Squad, Sforzando and Black and White are here. Also, I am proud to announce the triumphant return of Domestic Decay hosted by the one and only AP Magee.

Contained in all these shows schedule is some of the most diverse programming. From heartfelt indie rock to the heaviest of metal, from more traditional folk and blues to some of the best jazz; no matter what you like, you will almost definitely find it in the WRUW program.

Additionally, we will be having some of the most informed public affairs programming possible. The startup show, Straight Up with Docsana will be radio for the human spirit. However, other classic shows like Gaywaves and Voices and Choices will talk about issues that listeners have been enjoying for some time now.

Of course, another important part of WRUW is this fall's 30th annual Studio A Rama concert that is slated to occur sometime around Labor Day. We are still in the process of finalizing dates and headliners but so far we can say with 100% certainty that Elvis Presley will NOT be headlining. Sorry. ☹️

Alright, I think that's about it. You hold in your hands the schedule broken down by both time/day and genre. Find music you like and tune in, or be adventurous and just turn on the radio! Also remember, if a show is on too early or late, you need not wake up at 4 AM to listen. Use the WRUW archive online at wruw.org to listen after the show airs for up to one week.

HAPPY LISTENING!
T NICK DOMITROVIC

Greetings and thanks for picking up a copy of the WRUW 91.1 Summer Program Guide!

It is a fact that Cleveland, OH has the best college-community radio in the country. Our mission here at WRUW-FM is to promote various types of music over looked by most of the radio dial.

WRUW is hitting the town this summer and will be at a party near you! We are breaking out of the basement and will be offering free swag at events around Cleveland. WRUW-FM has been serving the Cleveland community for over 40 years and it is now easier to contact us than it has ever been!

Be a "fan" on Facebook, send us an email, check out our website at wruw.org and tune in online, or just listen to us the old-fashioned way at 91.1 FM, broadcasting at 15,000 watts.

If you would like to catch us out on the town, we will be making an appearance at the Cleveland Museum of Art's Summer Solstice Party where will be simulcasting live music performances. We'll have a booths at the Waterloo Arts Festival, Wade Oval Wednesdays, Jacob's Pavilion at Nautica Stage, Cain Park, and Blossom Music Center. There are a slew of other festivals and concerts in the works for this summer as well. Let's get out there, enjoy the sunshine, and party! We'll provide the music and you provide the listener-ship.

The next time you are attending an event and you see the WRUW Promotions Table, please stop over at our booth and say "hello" We love to meet our listeners! Thanks again for choosing the left side of the radio dial and we hope to see you out on the town! Let WRUW make sweet love to your ears.
